

Minutes of the Middletown Parks and Recreation Committee for August 17, 2010. Present were Tony Ventre, Chairman, Lewis Corl and Pam Dietrick.

The Committee held its meeting at the Wiles Branch Park.

- Committee decided in order to provide more picnic area to relocate two exercise stations located at the end of the multipurpose field closest to the waste water treatment facility. The Committee would recommend that the two stations be moved closer to the entrance to the treatment facility.
- The Committee red tagged for removal several trees along the road to the park facilities. We would request that staff remove these marked trees.
- The Committee reviewed the draft of the Parks Brochure and PowerPoint presentation that will be present during the Heritage Festival. The drafts of both will be made available to the Board before finalized.
