ADJOURNMENT

**BURGESS AND COMMISSIONERS
OF MIDDLETOWN MARYLAND**

TOWN MEETING MINUTES

REGULAR MEETING

June 23, 2014

The first monthly meeting of the Burgess and Commissioners of Middletown was called to order on June 23, 2014, by Burgess Miller at 7:00 p.m. in the Middletown Municipal Center, 31 W. Main Street, Middletown, Maryland. Present were: Commissioners Larry Bussard, Tony Ventre and Christopher Goodman.

PERSONAL REQUEST FOR AGENDA:

"If I were Mayor" contest winners – 1st place winner Hannah LaPadula and 2nd place winner Jillian Allen were both present and read their essays to the public. Burgess Miller presented each winner with gift cards.

PUBLIC HEARING

Burgess Miller called to order the Public Hearing at 7:12pm.

Operating Budgets FY 2015 – General Fund and Water & Sewer Fund – Drew stated that this was properly advertised in the Citizen newspaper. Drew stated that there is no increase to the tax rate, there is a 3% water & sewer rate increase included but the Board will need to hold a separate public hearing to agree on exactly how much of a water & sewer rate increase they would like to enact. Drew stated that the budgets do not show the proposed savings of the solar array..

No public comments. The Public hearing adjourned at 7:20pm.

CONSENT AGENDA

Financial Statements

Gladhill Furniture Street banners for 100th Anniversary – The cost of the banners will be paid by Gladhill Furniture

Town Minutes – May 12, 2014 Town Meeting

Commissioner Bussard motioned to accept this consent agenda, seconded by Commissioner Ventre and passed unanimously.

Unfinished Business:

Adoption of the FY 2015 Operating Budgets – Commission Bussard motion to approve the FY 2015 Operating Budgets as presented, seconded by Commissioner Ventre. Motion carried 4-0.

Ordinance 14-05-01 – Residential Clusters – Burgess Miller stated that the public hearing for this Ordinance was held on May 12, 2014. At that public hearing we heard comments from residents and we took into consideration of making the driveway's longer to 20' so that pedestrians are able to use sidewalk instead of walking around vehicles into the roadway.

Commissioner Ventre stated that he has a problem with where the Planning Commission wants to place this ordinance within the Active Adult section of the zoning code only. Commissioner Ventre stated that he agrees with Cindy staff report that this should be a separate section of the code in order to address any potential types of cluster developments that could occur in other zoning districts.

Motion by Commissioner Goodman to approve the ordinance as written. Motion failed with no second. It was agreed to send this back to the Planning Commission to consider as a separate section in the zoning code for all zoning districts.

Discussion of Elected Official Salaries – Burgess Miller stated that the Elected Officials salaries have not been increased since 1996 and we have added more monthly meetings. The proposed increase is as follows:

- Current Burgess Salary - \$500/month
- Proposed Burgess Salary - \$850/month
- Current Commissioner Salary - \$200/month
- Proposed Commissioner Salary - \$350/month

The ordinance, if approved, would take effect following the April, 2016 election and would apply to only those officials facing election. Other elected officials would receive a salary increase following the April, 2018 election.

Bob Smart, 7525 Coblenz Road – stated that given it's been 20 years since an increase he sees no problem with.

Commissioner Goodman asked if there was a way we could put something in to have an increase go into effect every 10 years. Burgess Miller stated that the public hearing for this will be held at the August 7th Workshop at 7:00PM.

War Memorial Lighting Bids

Drew stated that included in the packets are 2 bids one from Dixie Electric for \$11,160 and one from Antietam Electrical Contractors for \$10,988. Motion by Commissioner Bussard to approve the bid from Antietam Electrical Contractors, seconded by Goodman. Motion carried 4-0. Drew stated that the Amvet's will be donating toward this but we do not know the amount to date.

Review of Power Purchase Agreement by Town Attorney – Representatives from RER and Empower were present to go over the Town Attorney's comments as well as comments and concerns from the Commissioners.

REPORTS OF COMMITTEES –

WATER & SEWER – no report

PUBLIC WORKS – Commissioner Bussard reported:

The maintenance guys replaced the concrete around the banner poles.

Crack sealing is going on this week.

Bulk Trash pick-up scheduled for Oct. 25, 2014.

PLANNING COMMISSION – Commissioner Goodman reported:

Cross Stone Commons – Burgess Miller stated that he and Drew met with the representatives with Cross Stone Commons about the entrance into this shopping center. Burgess Miller stated that they came up with a compromise....right turn lane only into shopping center from Alt. 40, the first entrance off of Middletown Parkway will be a full entrance and exit as well as the entrance across from Glenbrook Drive that too will be an entrance/exit.

PARKS & RECREATION – Commissioner Ventre reported:

POS meeting on Thursday.

FINANCE – no report

PUBLIC INFORMATION –no report

NEW BUSINESS:

Planning Commission Annual Report – Motion by Commissioner Ventre to approve the 2013 Annual Report as presented, seconded by Commissioner Bussard. Motion carried 4-0.

Community Deputy Contract for FY 2015 – Motion by Commissioner Goodman to approve the Community Deputy Contract for FY 2015 totaling \$326,657, seconded by Commissioner Ventre. Motion carried 4-0.

Request for Community Parks and Playground Projects – any ideas you have for POS please forward to Commissioner Ventre.

PUBLIC COMMENT:

Susan Kraus, 104 Locust Court – publicly thanked the Town especially Drew Bowen and Bruce Carbaugh for their work on getting the water line hooked up. Ms. Kraus stated that all of her neighbors are very pleased.

ADJOURNMENT

With no further business to come before the Board, the regular meeting adjourned at 8:45p.m.

Respectfully submitted,

Ann Griffin
Office Manager

Martin O'Malley, Governor
Anthony G. Brown, Lt. Governor
Joseph P. Gill, Secretary
Frank W. Dawson III, Deputy Secretary

June 9, 2014

Mr. Andrew J. Bowen, V
Administrator
Middletown
31 W. Main Street
Middletown MD 21769-8004

RECEIVED

JUN 12 2014

TOWN OF MIDDLETOWN, MD.

Dear Mr. Bowen:

The Maryland Department of Natural Resources is now accepting grant proposals for the Community Parks and Playgrounds Program (CP&P). These proposals will be reviewed and considered for submission to the Maryland General Assembly as part of the Governor's FY2016 budget proposal.

Maryland's CP&P is designed to enhance the livability of communities by creating, restoring or enhancing parks, playgrounds and other open spaces. For applications submitted for FY2016 funding, applicants are once again encouraged to emphasize those projects that offer public benefits enhancing quality of life in existing population centers and demonstrating the use of low environmental impact development techniques, materials and management. The following pages provide the details about the Program and how municipal corporations of the State and Baltimore City may apply for State funding assistance.

If you would like to apply for CP&P project assistance, please complete the items listed on the enclosed "Grant Proposal List," "Community Parks and Playgrounds Project Agreement," "Project Details," and "Supporting Documents." All application materials may also be accessed at <http://dnr.maryland.gov/land/pos/cpp.asp>. Please submit all required forms and attachments as directed by this package by August 18, 2014.

After reviewing the attached information, if you have any questions concerning the Program, please contact your Program Administrator listed on the enclosed "Grant Proposal Guide." We look forward to working with you to enhance the quality of life in your communities through environmentally sustainable park and recreation facilities.

Sincerely,

Hilary Bell, Deputy Director
Land Acquisition and Planning

ORDINANCE NO. _____

AN ORDINANCE TO AMEND TITLE 17 OF THE MIDDLETOWN MUNICIPAL CODE TO PROVIDE DEFINITIONS FOR THE TERMS “ADULT ENTERTAINMENT ACTIVITIES” AND “ADULT ENTERTAINMENT BUSINESS”; TO AUTHORIZE THE USE OF PROPERTY AS AN ADULT ENTERTAINMENT BUSINESS PROVIDED IT IS NOT LOCATED WITHIN 1,500 FEET OF OTHER PROPERTY USED AS A SCHOOL, PARK, CHILD DAY CARE CENTER, CHURCH OR HOUSE OF WORSHIP, OR ANOTHER ADULT ENTERTAINMENT BUSINESS.

RECITALS

WHEREAS, the Burgess and Commissioners of the Town of Middletown are concerned with the potential adverse secondary effects of adult oriented entertainment businesses which may elect to locate in the Town of Middletown; and

WHEREAS, the Burgess and Commissioners have reviewed the evidence of the adverse secondary effects of adult oriented businesses found in various studies, experiences and reports made available to them and which have been considered by other municipalities and local governments, including but not limited to:

- “Does the Presence of Sexually Oriented Businesses Relate to Increased Levels of Crime? An Examination Using Spatial Analysis” Eric S. McCord and Richard Tewksbury; *Crime & Delinquency*, October 2013; vol. 59, 7: pp. 1108-1125., first published on November 29, 2012.
- “Adult Business Study” Town and Village of Ellicottville, Cattaraugus County, New York January 1998.
- Testimony to Illinois State Senate Public Health Committee March 2012 re: Illinois Senate Bill 3348 of Richard McCleary, (Professor of Criminology, Environmental Health Science, and Planning, University of California, Irvine) and Lori Sexton, (Assistant Professor at the University of Missouri, Kansas City).
- “Crime-Related Secondary Effects Of Sexually-Oriented Businesses” - Report To The County Attorney Palm Beach County, Florida ; Valerie Jenness, Ph.D., Richard McCleary, Ph.D., James W. Meeker, JD, Ph.D. August 15, 2007.

- “The Association of Adult Businesses with Secondary Effects: Legal Doctrine, Social Theory, and Empirical Evidence”, Alan C. Weinstein and Richard McCleary Cleveland-Marshall College of Law, Cleveland State University, October 2011.
- A report on the secondary impacts of adult use businesses in the city of Denver January 1998.
- Caroline County, Maryland Ordinance #2005-002 and findings stated therein;

and

WHEREAS, court decisions considering issues relative to the secondary effects of adult oriented businesses hold that such secondary effects are a legitimate basis for regulating such businesses. Such cases include, but are not limited to:

- *Los Angeles v. Alameda Books, Inc.*, 535 U.S. 425 (2002)
- *City of Erie v. Pap's A.M.*, 529 U.S. 277 (2000)
- *City of Renton v. Playtime Theatres, Inc.*, 475 U.S. 41 (1986)
- *Steiner v. County Commissioners of Caroline County*, 490 F.Supp.2d 617 (D.Md.,2007)
- *Imaginary Images, Inc. v. Evans*, 612 F.3d 736 (4th Cir. 2010)
- *Independence News, Inc. v. City of Charlotte*, 568 F.3d 148 (4th Cir. 2009);

and

WHEREAS, the material reviewed by the Burgess and Commissioners show that adult oriented businesses are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties and property values, urban blight, litter, and sexual assault and exploitation; and

WHEREAS, the Town of Middletown has a population of 4,136 as of the last census (2010) and is relatively small in size having a geographic area of 1.741 square miles; and

WHEREAS, the Town of Middletown has no police department and must rely upon a resident Frederick County Sheriff's deputy as its primary means of law enforcement, and law enforcement efforts and effectiveness will be increasingly strained with any increase in criminal activity; and

WHEREAS, the Burgess and Commissioners, in an effort to prevent such secondary adverse effects in the Town of Middletown, and to protect and promote the safety, health, morals, and general welfare of the citizens of the Town of Middletown, have determined that the nature of adult oriented businesses requires the enactment of certain zoning restrictions relating thereto and that adult oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses.

NOW, THEREFORE, BE IT ORDAINED AND ENACTED by the Burgess and Commissioners of the Town of Middletown, Maryland that Title 17 of the Middletown Municipal Code be, and hereby is, amended as follows.

SECTION I. Title 17, Chapter 17.04, Section 17.04.030, "Definitions" of the Middletown Municipal Code is hereby amended by adding thereto the definition of "Adult Entertainment Activities" and by adding thereto the definition of "Adult Entertainment Business", "Adult Oriented Business" or "Sexually Oriented Business". Said definitions shall be codified and inserted in Section 17.04.030 of the Code alphabetically. The remaining provisions of Section 17.04.030 remain unchanged.

TITLE 17 ZONING

Chapter 17.04

Section 17.04.030 – Definitions

“Adult Entertainment Activities” means:

A. Any merchandise, object, item, or device that is designed and/or marketed with the intention of causing, or that reasonably may be expected to cause, sexual stimulation, sexual excitement or sexual gratification.

B. Any performance, conduct, activity, depiction, or text that is intended to cause or provide, or reasonably may be expected to cause or provide, sexual stimulation, sexual excitement, or sexual gratification and:

1. in which an individual or individuals appear in a state of nudity or partial nudity; or
2. that consists, in whole or in part, of action, activity, poses, portrayal, depiction, or description of:
 - (a) human genitals in a discernable state of sexual stimulation or arousal; or
 - (b) any act, whether real or simulated, of masturbation, sexual intercourse, anal intercourse, sodomy, fellatio, cunnilingus, fondling of the buttocks, anus, female breasts, pubic area, or genital area, sadomasochistic activity, physical contact or attempted contact with clothed or unclothed genitals, pubic areas, buttocks, anus, or female breasts; or
3. consists of contact with animals or inanimate objects.

“Adult Entertainment Business” also known as “Adult Oriented Business” or “Sexually Oriented Business” means a business establishment whose primary business and stock in trade is dependent upon Adult Entertainment Activities. By way of example, and not by way of limitation, the following shall be considered as an adult entertainment business:

A. An arcade or other place to which the public is permitted or invited and where photographs, motion pictures or other image-producing devices are maintained to, for money or other value, show images depicting or describing Adult Entertainment Activities.

B. A bar, club, cabaret, lounge, dance hall, restaurant, or other similar establishment or place of business which features dancers, strippers or similar entertainers or employees that engage in Adult Entertainment Activities, or any such business establishment, the advertising for, or a sign identifying which, uses the words, "adult," "topless," "nude," "bottomless," or other words of similar import.

C. A motion picture theater or similar commercial establishment where, for any form of consideration, films, motion pictures, video cassettes, CDs, DVDs, slides, or similar photographic reproductions are regularly, commonly, habitually, or consistently shown that are characterized by the depiction or description of Adult Entertainment Activities.

D. A retail store or similar commercial establishment that, as one of its principal business purposes, offers for sale or rental for any form of consideration any one or more of the following: books, magazines, periodicals or other printed matter, or photographs, films, motion picture, video cassettes or video reproductions, slides, or other visual representations that depict or describe Adult Entertainment Activities, and novelty items, games, greeting cards, instruments, devices, or paraphernalia that are designed for use in connection with Adult Entertainment Activities.

SECTION II. Title 17, Chapter 17.32, of the Middletown Municipal Code is hereby amended by adding thereto the following as Section 17.32.225.

TITLE 17 ZONING

Chapter 17.32 Design Standards Generally

Section 17.32.225 – Adult Entertainment Business

A. It is the purpose of this ordinance to regulate Adult Entertainment Business in order to promote the health, safety, and general welfare of the citizens of the town, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of Adult Entertainment Business within the town. It is the intent of the Burgess and Board of Commissioners in adopting this ordinance to enact a content neutral ordinance that imposes time, place and manner restrictions in order to address the adverse secondary effects of Adult Entertainment Business. It is not the intent of the Burgess and Board of Commissioners to suppress any speech protected by the First Amendment to the United States Constitution or Article 40 of the Maryland Declaration of Rights. Similarly, it is neither the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.

b. Adult Entertainment Businesses are permitted provided that such businesses are not located within 1,500 feet of any school, park, child day care center, church or house of worship or another Adult Entertainment Business. For the purpose of this sub-section, measurement shall be made in a straight line, without regard to intervening structures or objects, from the nearest portion of the building or structure used as a part of the premises where an Adult Entertainment Business is conducted to the nearest property line of the school, park, child day care center, church or house of worship, or other Adult Entertainment Business.

SECTION III. BE IT FURTHER ENACTED AND ORDAINED that this Ordinance shall take effect twenty (20) calendar days following its approval by the Burgess and Commissioners.

INTRODUCED ON THE _____ DAY OF _____, 2014

PASSED ON THE _____ DAY OF _____, 2014

EFFECTIVE DATE: _____, 2014

RE: Design Manual Recommended Changes

Below are the recommended changes to the Design Manual in relation to the references to the Planning Commission. The recommended changes are shown in *italics*.

Stormwater Management Design

1.3.1 The stormwater management practices to be used in developing a stormwater management plan must follow the Frederick County Code and be approved by Frederick County with final determination by the Middletown Director of Public Works. ~~consist of one or more of the following with the Planning Commission making the final determination as to which method(s) will be permitted:~~

- ~~_____ a. Flow attenuation by use of open vegetated swales and natural depressions;~~
- ~~_____ b. Stormwater retention structures; and~~
- ~~_____ c. Stormwater detention structures.~~

1.3.2. ~~For stormwater quality control management only and for drainage areas of less than five (5) acres, the following filtering systems may be used with the Planning Commission making the final determination as to which method(s) will be permitted:~~

- ~~_____ a. Sand Filters~~
- ~~_____ b. Open Vegetated Swales~~
- ~~_____ c. Bioretention Areas with underdrain(s) to storm drain or other outfall acceptable to the Planning Commission~~
- ~~_____ d. Filter Strips~~
- ~~_____ e. Submerged Gravel Filters~~
- ~~_____ f. Stormceptors~~

Storm Drain Design Manual

6.1.1.d. Design Storm Criteria. In the event the Town believes that a greater year storm frequency should prevail for the design of storm drain systems due to concerns over excessive private or public property damage, disruption of public services, flood damage, or other undesirable impacts that may result from implementing the minimum criteria described herein, the Town, at its sole discretion and with the approval of the Director of Public Works ~~Planning Commission~~, may require more stringent criteria be followed in the design.

8.1 Guardrails, Fences and Pipe Rails. Safety devices shall be required at all headwalls, as deemed appropriate by the Director of Public Works. ~~Planning Commission.~~

Deleted: s

Deleted: d

Streets and Roads Design Manual

1.4 Planning Guidelines. In the event a development is submitted for review to the Planning Commission as a Planned Unit Development (PUD), the **Planning Commission and the Town Board thru the Director of Public Works**, at ~~its~~ *their* discretion, may alter the design standards as they deem appropriate.

2.2.j. Layout of intersections. ~~In certain situations,~~ the design and construction of turning lanes or acceleration/deceleration lanes at intersections ~~will~~ ~~may~~ be required to facilitate the movement of traffic through an intersection and improve traffic capacity and level of service *for all intersections on collector, minor and major arterial roads. The Town may alter this requirement as they deem appropriate.* The **Planning Commission** reserves the right to require additional lanes of roadway for this purpose and to require additional rights-of-way to accommodate the additional lanes. Intersections will be reviewed on a case-by-case basis, and a final determination made by the **Planning Commission and the Town Board (thru the Director of Public Works)** as to the necessity for and the geometric requirements for additional turning lanes.

2.5.1.b. Cul-de-sacs. An 800-foot length shall be the maximum for cul-de-sacs unless otherwise approved by the Planning Commission *with guidance from the Director of Public Works.*

2.5.1.c. The use and design of islands will be at the discretion of the Planning Commission *with guidance from the Director of Public Works.*

2.13 Traffic Control. Crosswalks will be required as dictated by the Planning Commission *with guidance from the Director of Public Works.*

Commented [b1]: I would like to suggest eliminating cul de sacs. They are a problem for snow removal. Removing them also can effectively reduce the maximum number of lots created.

Subject: FW: Mobile App for Our Town Website
Attachments: GovOffice professional design services 2014.pdf

Burgess Miller,

The message below is from Mike Chaloupka (sales department) for govoffice.com. Govoffice is the website administrator for our town website. Attached is information Mr. Chaloupka included.

In the message below you see what the Basic GovOffice Mobile looks like (0\$) and a view of what a "branded " mobile looks like (\$500). Neither is a mobile app, so no downloading or updating is required.

He has suggested we update our websites' design, which would include a cost. That has been included in the information attached.

He is just waiting to hear from us.

Respectfully,

Annette

Subject: RE: Mobile App for Our Town Website

Thank you, Annette, for your interest.

I will be happy to assist you over the phone, but first I would like to share some information electronically that we can go over together when we talk.

First, what we offer is a graphically customized version of your existing mobile website (GovOffice Mobile). **Basic GovOffice Mobile is no charge to the Town (www.govoffice.com/mobile).**

GovOffice Mobile is a mobile version of your regular, desktop website; it is not a mobile app. Unlike an app, there is no downloading or updating required of GovOffice Mobile.

For those clients wanting to extend their brand to mobile users, we offer custom mobile design for a one-time only charge of \$500.

Here is a Before and After of another GovOffice client's mobile design:

Here's something to consider, though. Your town's Web design is many years old now. Branding and marketing experts agree that professional organizations should update their Web design every few years. So, if you are serious about upgrading your mobile design to a customized design, I recommend that you consider an upgrade of your desktop design, too.

Please see the attached menu of design services. A \$500 custom mobile design may be added to a \$1295 Value or \$2495 Progressive custom design order. Custom mobile design is **included** in the \$4895 Premium design package at no added charge.

Please let me know when you're ready to have a phone conversation to go over this material.

Thank you!

Mike

Subject: Mobile App for Our Town Website

Hello Mike,

My name is Annette Alberghini and I am the receptionist for the Town of Middletown, MD. Our Burgess (mayor) asked that I contact our website manager to see if you all offer a mobile app. I went to your website and see that you do. Would you please contact me so that I can discuss options that are available for this app, the different features available and costs.

Our office phone number is 301.371.6171

Your assistance is greatly appreciated. I look forward to hearing from you.

Respectfully,

Annette Alberghini

★ The Value Solution - \$1295

Stock Template (Before)

Customized Template (After)

What's Included

- Based on a stock template from the GovOffice Design Center (www.help.govoffice.com/design)
- Development of 1 custom banner containing:
 - Logo and photos supplied by client. May be a blended/collage style banner, if requested
 - Font treatment for Title (*City of Springfield*) and Slogan (*Your Hometown*) fields
- Up to 8 photos sent for inclusion in the design (numbered based on importance). The number of images included in the final design will depend on the design draft selected and the professional judgment of the graphic designer.
- Basic color scheme to match up the logo and design, which includes modifying the colors (1 each) of:
 - Title text
 - Slogan text
 - Navigation (hover and subsections)
 - Background (only if a color exists)
 - Right and left sidebars (only if a color exists)
- 1 background image to be used as a banner background or a site background or a watermark

Process

The Value Solution is a 2 draft, 1 revision process, whereby GovOffice will create 2 drafts, based on the client's design objectives for the stock design template selected. Upon evaluation of the 2 drafts, the client will inform GovOffice of the preferred draft (1 of the 2) and requested edits. GovOffice will then revise it 1 time before asking for final approval.

★ The Progressive Solution - \$2495

Stock Template (Before)

Customized Template (After)

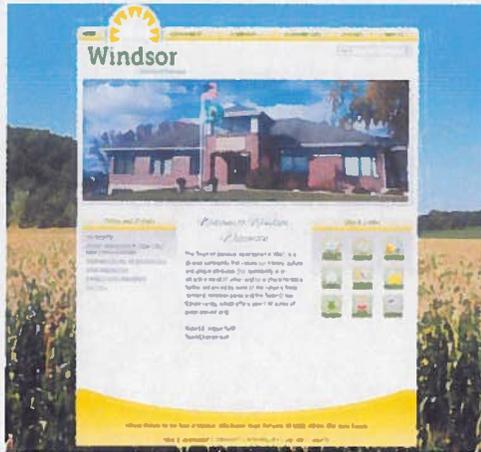

What's Included

- Based on a stock template from the GovOffice Design Center (www.help.govoffice.com/design)
- Development of 3 custom banners containing:
 - Logo and photos supplied by client. May be a blended/collage style banner, if requested
 - Font treatment for Title (*City of Springfield*) and Slogan (*Your Hometown*) fields
 - Banners may rotate upon refresh/reload of the browser or be assigned to internal sections
- Up to 20 photos sent for inclusion in the design (numbered based on importance). The number of images included in the final design will depend on the design draft selected and the professional judgment of the graphic designer.
- Extended color scheme to match up the logo and design, which includes modifying the colors (1 each) of:
 - Title text
 - Slogan text
 - Navigation (hover and subsections)
 - Background (even if a color does not exist in the stock template)
 - Right and left sidebars (headers and content areas, even if a color does not exist in the stock template)
- 1 background image to be used as a banner background or a site background or a watermark
- Custom font treatment throughout the site (from Google font selection)
- Homepage Setup: Our content professionals will provide up to 3 hours of service in setting up or organizing new homepage content to conform to the final design draft and Web best practices.
- 5 shortcut URLs - examples: *nameofgovofficeclient.com/agendas* & *nameofgovofficeclient.com/calendar*

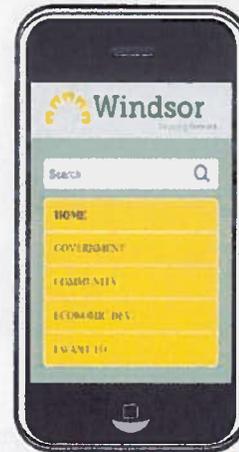

Process

The Progressive Solution is a 2 draft, 2 revision process, whereby GovOffice will create 2 design drafts (including banners), based on the client's stated objectives for the stock design template selected. Upon evaluation of the drafts, the client will inform GovOffice of the preferred draft (1 of the 2) and requested edits. GovOffice will then revise it up to 2 more times before asking for final approval.

★ The Premium Solution - \$4895

Totally Unique Desktop Design

Custom Mobile Design

What's Included

- Completely unique, custom design; **not** based on a stock template from the GovOffice Design Center
- 5 custom banners containing:
 - Logo and photos supplied by client. May be a blended/collage style banner, if requested
 - Font treatment for Title (*City of Springfield*) and Slogan (*Your Hometown*) fields
 - Banners may rotate upon refresh/reload of the browser or be assigned to internal sections
- Up to **50** photos sent for inclusion in the design (numbered based on importance). The number of images included in the final design will depend on the design draft selected and the professional judgment of the graphic designer.
- Extended color scheme to fully match the client's branding
- 1 background image to be used as a banner background **or** a site background and a watermark, if requested
- Custom font treatment throughout site (from Google font selection)
- Full set of social media icons (Facebook, Google+, Twitter, Pinterest, LinkedIn, YouTube, Blogger, Flickr)
- Favicon (*favorites icon*), if requested
- Custom mobile design (for display on smartphones) included, developed to appear as an extension of the custom desktop design
- Homepage Setup: Our content professionals will provide up to 3 hours of service in setting up or organizing the new homepage content to conform to the final design draft and Web best practices.
- 10 shortcut URLs - examples: *nameofgovofficeclient.com/agendas* & *nameofgovofficeclient.com/calendar*

Process

The Premium Solution is a 3 draft, 3 revision process, whereby GovOffice will create 3 design drafts, based on the client's stated objectives for its totally unique design concept. Upon evaluation of the drafts, the client will inform GovOffice of the preferred draft (1 of the 3) and requested edits. GovOffice will then revise it up to 3 times before asking for final approval.

Popular Web Design Upgrades

Auto Image Slider

ex. www.montevideomn.org

- Showcase your community's beautiful imagery and change of season through a multi-photo slideshow
- The self-admin Slider comes with transitions from photo to photo, captions, and your photos may be linked to internal pages of your website.
- **\$1,000** cost includes incorporation of up to 5 photos

Custom Mobile Design

ex. www.cityofmiltonga.us

- Extend your community's brand, complete with official logo, complementary colors and stylish fonts, to an ever-growing number of citizens using smartphones
- The customized mobile website will be designed to be the perfect extension of your organization's custom desktop website design
- **\$500** cost is excellent value for an attractive mobile design using the best in Responsive Web Design (RWD) technology

Promotional Icons

ex. www.villagesussex.org

- Provide single click access to the focus areas of your website with modern, attractive, custom-made icons
- Most common choices for promotional icons are: Contact Us, Agendas & Minutes, Events Calendar, Online Payments, Permits, and Parks and Rec.
- **\$500** cost includes the development, arrangement, and programming of up to 6 professional icons

Ask your salesperson about our many other custom Web design upgrades.

	 \$1295 Value	 \$2495 Progressive	 \$4895 Premium
Number of drafts	2	2	3
Number of revisions to the selected draft	1	2	3
Template-based or original design	Template-based	Template-based	Original

Shortcut URLs	0	5	10
Blended/collage style banner	Yes	Yes	Yes
Stylish font type for the organization's title and slogan	Yes	Yes	Yes
Level of custom color scheme	Basic	Extended	Extended
Choice of color or image to be used as a background	Yes	Yes	Yes
Stylish font treatment site-wide	No	Yes	Yes
Incorporation of social media icons	No	No	Yes
Incorporation of a Favicon	No	No	Yes
Custom design for mobile website	No	No	Yes
Homepage Setup by content expert	No	Yes	Yes
Ownership of design transferred to the client	No	No	Yes

Method

All custom design projects involve the following 10 creative and programming steps:

Creative

1. Personal consultation with our graphic designer
2. Development of design drafts → number of drafts depends on the design package purchased (Value = 2, Progressive = 2, Premium = 3)
3. Presentation of all design drafts to the client via *Preview Mode*
4. Round(s) of revision to the client's chosen draft → number of rounds of revision depends on the design package purchased (Value = 1, Progressive = 2, Premium = 3)
5. After round(s) of revision are completed, presentation of final draft to the client via *Preview Mode*; client's approval is then requested

Programming

6. Constructing the final design draft approved by the client onto a working test site (*Test Mode*)
7. Adjustment, as necessary, to the display or behavior of the design on the test site
8. Testing of the design across the latest versions of all major Web browsers; further adjustment made, as necessary
9. Schedule a date for upload (deployment) of the finished, browser-tested design with the client
10. Upload of the design to replace the client's existing design (free stock template or old custom design) on its live, public website; the project is then declared completed

Guarantees

Guarantees to clients upgrading from a stock template or old custom design to a new custom design:

- No content - text, uploaded images, documents, and the like - that reside on the client's existing website will be lost in the transition from the current design to a new, custom design.
- The client may continue to edit the contents of their website as usual during the custom graphic Web design process.
- The current live, public website will not be offline during development of the new, custom Web design.
- The amount of the client's Annual Service Package (site hosting, toll-free technical support, and more) will not be impacted by implementation of a new, custom Web design.

Notices Regarding Purchase of Any Design Package

- A custom design (graphics) serves as a skin that *lays over* your loaded Web content (text, uploaded documents, links, etc.) to give the website its new, enhanced look.

With the exception of the Homepage Setup performed under the Progressive and Premium design options, the design packages do not involve the alteration of Web content by the GovOffice team.

- Each of our four design packages involves development of at least one banner, comprised of images provided by the client.

Upon approval of the banner(s) by the client, neither the banners themselves nor the images within the banners may be altered/replaced/removed by the client.

Further customization by GovOffice is required to alter a customized banner, and an hourly design charge of \$125 applies (2 hour minimum).

- While GovOffice strives to complete every custom design project as efficiently as possible, we do not guarantee the deployment of a custom design by or on a specific date.

A client's key to success is active participation and responsiveness throughout the *entire* project - from communicating ideas and sending image files to the Design Team, to selecting your preferred draft and requesting edits, and lastly, giving a clear, final approval.

Burgess and Commissioners Middletown, Maryland

Bids for Survey Subdivision - Schoonover Property

Contractor	Cost	Description
Daft, McCune & Walker, Inc.	\$ 5,000.00	Boundary Survey, Plat, Corners
Frederick, Seibert & Associates, Inc.	\$ 2,850.00	Boundary Survey, Plat, Corners
Lavelle & Associates, Inc.	\$ 3,000.00	Boundary Survey, Plat, Corners

Schoonover - Outlot
Town of Middletown - Frederick County

March 24, 2014

Mr. Andrew Bowen, Town Administrator
Town of Middletown
P.O. Box 135
31 West Main Street
Middletown, MD 21769

Re: Schoonover Addition Plat
No. 5 Lombary Drive
Tax Map 501, Parcel 1187
Proposal No. 19826

Dear Mr. Bowen:

Pursuant to our discussions, Daft-McCune-Walker, Inc. (DMW) is pleased to present this proposal for assistance with surveying services associated with the above referenced project. Based on our understanding of your request, we have prepared this proposal to assist you with the tasks required to prepare a Plat of Addition of Lot No. 12 and a portion of the Cone Branch additions.

Assumptions

The purpose of this Plat of Addition is for a land transfer from the current owners of Lot No. 12 to the Town of Middletown. A portion of the 5,751.55 square feet area deeded to Carey and Theresa Schoonover (Liber 7915 Folio 21 - Schoonover Property) will be added to Lot No. 12 with the remaining area being identified as a separate lot (or out-lot) to be transferred to the Town.

Scope of Services

Item 1: Boundary Survey

DMW will utilize our previously conducted deed and plat research and survey control for the Cone Branch Trail Project to determine the final property boundary of the Schoonover properties. We will reestablish the horizontal control and locate the boundary corners to establish the subject property boundary relative to the previously located topography. Once established, the final property corners will be used to accurately depict the boundary on the Addition Plat.

Item 2: Plat of Addition

DMW will prepare the Final Plat of Addition that will show a portion of the subject property (Liber 7915 Folio 21) to be added to Lot No. 12, Woodmere South (also Schoonover Property) and the remaining portion of the subject property (Liber 7915 Folio 21) as an out-lot, which is to be conveyed to the Town of Middletown. The plat will include the required owner's dedications and surveyor's certificates. This will include computations to establish the areas of the new lots proposed on the subject property. Also included (to the extent necessary) will be an area tabulation, curve data tables, coordinate tables, general notes, building setback dimensions and other graphics/dimensions required as part of the Addition Plat approval.

Item 3: Set Property Corners and Markers

Upon approval of the Addition Plat, DMW will physically set all missing property corners and monuments around the new lots. In accordance with the requirements of Section 3-108 of the Annotated Code of Maryland, the Addition Plat of Subdivision shall include a statement in the owner's certification and the surveyor's certification that the requirements to set these markers have been met. These statements require the setting of the property corner markers after recordation of the plat.

Items Not Included

1. Environmental assessments and wetlands delineation permits and reports (to be provided, if necessary, under a separate contract)
2. Forest Conservation Act compliance

Fees and Payments

Item 1: Boundary Survey.....	\$ 2,000	Estimated Fee
Item 2: Plat of Addition.....	\$ 2,200	Estimated Fee
Item 3: Set Property Corners and Markers.....	\$ 800	Estimated Fee
Total Estimated Fee.....	\$ 5,000	

All reimbursements for such items as mileage, reproduction, messenger service, facsimiles, long distance telephone calls and other out-of-pocket expenses are not included in the fee. Subcontracted work will be billed at cost, plus 15 percent. If the project is not completed within one year of the date of this proposal, the fee for the incomplete portion of the work is subject to re-negotiation to reflect current cost.

Our work will be prepared in accordance with the municipal agency criteria and policies in effect at the time of the date of this proposal. Changes in criteria during the process of the work may require re-negotiation.

Mr. Andrew Bowen
Page 3
March 24, 2014

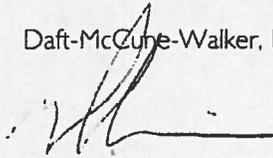

Our invoices will be based on the percent of work completed for lump sum items or the following hourly rates. Work outside the scope of services will be provided on the basis of the standard hourly rates shown below, plus direct reimbursable expenses. Additional fee authorization may be required as work continues. Additional services will be provided as ordered.

Branch and Assistant Manager.....	\$125 - \$160/Hour
Senior Engineer and Senior Surveyor.....	\$100 - \$125/Hour
Design Engineer and Surveyor.....	\$80 - \$100/Hour
Environmental Specialist.....	\$80 - \$100/Hour
Senior CADD Technician.....	\$50 - \$80/Hour
CADD Technician.....	\$40 - \$60/Hour
Survey Technician.....	\$55 - \$90/Hour
Survey Field Crew.....	\$130 - \$160/Hour
Administrative Personnel.....	\$35 - \$50/Hour

Invoices will be rendered on a periodic basis and considered due when rendered. The enclosed "Exhibit A – General Provisions" is hereby made part of this proposal.

Sincerely,

Daft-McCune-Walker, Inc.

Mark S. Crissman, P.E., P.L.S.
Vice President | Branch Office Manager

Attention: Drew Bowen

RE: Simplified Plat of Subdivision

Dear Mr. Bowen,

Please find attached below our scope of work for the surveying services you requested on the additional land the town wishes to purchase from an adjoiner located in Middletown, Maryland.

SCOPE OF WORK

1. Perform the necessary deed research at the court house.
2. Perform the necessary field surveys as required to survey and subdivide off additional land from adjoiner to add to adjoining land owned by the Town of Middletown.
3. Prepare a simplified plat and process it through the Middletown Planning Commission and related agency.
4. Set iron pins at the property corners of the new area being subdivided.

WORK NOT INCLUDED

1. Preparing any road widening plans, variances or any other specialty engineering that may be requested by the review agencies.

COMPENSATION AND TERMS

Lump Sum Cost for the above outlined work is: **\$2,850.00 any agency review costs, prints and recordation**

This figure includes all work and materials except the cost of any filing fees, review fees, bid advertisement or prints. All permits and filing fees and prints will be billed at cost.

Copy Size	Copy Cost	Mylar Copy Cost	Color plot on photo	B&W plot on bond	Color plot on bond	B&W plot on mylar
18" x 24"	\$2.00	\$3.60	\$12.00	\$6.00	\$10.00	\$7.50

This proposal and its associated cost is based on the rules and regulations in affect at the date of this proposal offer. Should any rules and regulations change during the life of the contract, and should the regulations require additional work by Frederick, Seibert and Associates in order to comply with same, then the estimated cost will need to be readjusted to reflect the extra work required by the new regulations.

Any additional work that may be requested and is not included in the contract will be billed at our unit costs.

All original plans, plats, descriptions and records are the sole property of the firm. No liability is assumed by Frederick, Seibert and Associates, Inc. for the accuracy of the data provided by the client or of data obtained or available from public or governmental records or sources in the public domain. Client shall obtain from the owner thereof any and all consents required to reproduce data protected by patent, trademark, service mark, copyright or trade secret, and client indemnifies and holds Frederick, Seibert and Associates, Inc. harmless from any claims against Frederick, Seibert and Associates, Inc. for the reproduction of such materials.

The standard of care for all professional services performed or furnished by Frederick, Seibert and Associates, Inc. (Consultant) under this Agreement will be the skill and care used by the members of the Consultant's profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, expressed or implied, under this Agreement or otherwise, in connection with Consultant's services. Liability of Frederick, Seibert and Associates, Inc. shall be limited to the amount paid by client for the services provided and Frederick, Seibert and Associates, Inc. obligations hereunder shall not include any liability for special, direct, indirect, or consequential damages.

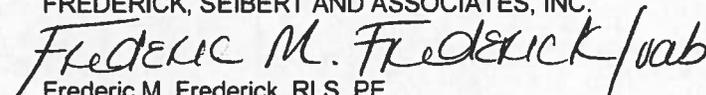

The undersigned by acceptance of this proposal, agrees to pay all attorney's and court costs incurred by Frederick, Seibert and Associates, Inc. if the matter is referred to an attorney to collect all or any portion of the actual fee for services performed.

INVOICES METHOD

1. Retainer is waived for client.
2. The final bill will be due upon completion.
3. Any invoices still unpaid after 30 days will be subject to a 1 1/2% per month interest rate.
4. We reserve the right to stop work on all projects with an outstanding invoice of more than 60 days.

If the above is acceptable to you, please sign at the bottom where indicated. Return one signed set to us for our files. Please call and inform us when we can start the design work.

Very truly yours,
FREDERICK, SEIBERT AND ASSOCIATES, INC.

LAND SURVEYORS • PLANNERS

June 19, 2014

Town of Middletown
C/o Andrew J. Bowen, Town Administrator
31 West Main Street
Middletown, MD 21769

RE: 5 Lombardy Drive, Middletown, MD
File No. 14-072

Dear Andrew:

Lavelle & Associates, Inc. is pleased to submit this proposal to provide professional land surveying services for the above referenced project. Based upon your request, we anticipate the following:

Project Description: It is the intent of the Town of Middletown to acquire 2,327.40 S.F. of land from the Schoonover Property – Parcel Two as referred to in their deed recorded in L. 7915 ~ F. 21. An Addition Plat will be required to add the 2,327.40 S.F. on to the Town's property and the remainder of Schoonover Property – Parcel Two added to Lot 12, Woodmere South. In order to accomplish this the following is required.

<u>Operation</u>	<u>Description</u>	<u>Fee</u>
6060	<u>BOUNDARY SURVEY</u> – Preparation of a Boundary Survey to establish all lines of possession and property corners, and location of existing improvements on site. Survey to be prepared in accordance with Title 9 – Subtitle 13 – Chapter 6.03 Minimum Standards of Practice/Code of Maryland (COMAR) (copy attached).	\$750.00
6550	<u>PLAT OF ADDITION</u> - Preparation of an Addition Plat subject to Town of Middletown, Frederick County DPDR, and Department of Public Works approvals.	\$2,000.00
7080	<u>MEETINGS/CONFERENCES/ADMINISTRATION</u>	\$250.00

Prints, reproductions and other outside expenses incurred will be billed at cost. All submittal, review and recording fees are to be paid by the client.

5732 Industry Lane, Frederick, MD 21704

TITLE

Rotational On-Call Program Policy

Purpose

The Town of Middletown is responsible for insuring continuous uninterrupted operation of the town's water, waste water, collection and distribution systems as well as maintaining streets, parks and building structures. The rotational on-call program insures that after-hour emergencies involving any of these operations, which could impact the residents and businesses of the Town of Middletown, are addressed in a reliable and timely manner.

Definitions

After Hours Emergencies – is defined as those calls which require a response from an on-call employee outside of their normal work day hours for issues of public safety. Calls can include but are not limited to: water leaks, sewer clogs, pump station failure, mechanical equipment failure, electrical systems failure, street maintenance, distribution, collection infrastructure failure, public safety concerns, snow removal, buildings and parks maintenance.

Total Response Time to the Emergency Call – is calculated as the time an employee leaves their location to respond to an after-hours emergency call until their return once the call is completed, to include travel time to and from Middletown. If the after-hours emergency continues into normal work day hours, the total response time for that after-hours emergency call will not include any time worked during normal work day hours.

Staffing

The following sections are required to participate in the rotational on-call program:

- Water & Sewer
- Streets & Utilities
- Facilities Superintendent

The Director of Public Works and the Assistant Director of Public Works will not be scheduled in the rotation, but will assist during after hour emergencies if they deem it necessary.

Scope

After normal work hours and on weekends, the Town of Middletown shall maintain a weekly rotating on-call program to respond to after-hour emergencies.

Staffing for the weekly rotating on-call program will consist of two (2) employees; one (1) from Water & Sewer and one (1) from Street & Utilities (The Facilities Superintendent is included in this group's rotation.). They will respond to any after-hour emergencies for one week. The on-call rotation week begins Monday at 7AM and continues until 6:59 AM the following Monday.

All after-hour emergencies are received through an answering service; All-Ways Communication. All-Ways Communication will then call the appropriate on-call employee; depending on the nature of the emergency. The Director of Public Works and the Assistant Director of Public Works will be notified of each after hour emergency via text. Water and sewer emergency calls will go to the Water and Sewer employee and other emergencies will go to the Streets and Utilities employee as determined by All-Ways Communication staffing. After receiving the emergency notification, on-call employees will address and rectify the emergency. Additional section staff can be contacted to help mitigate the emergency if necessary.

On-Call Response and Employee Behavior

On-call Employees must be at the emergency location within 90 minutes of receiving the initial phone call. The on-call employee must be prepared to drive town equipment, operate equipment, and perform public relations as needed for each emergency. On-call employees must abstain from alcohol use while on call. Failure to respond and comply with these stipulations can result in disciplinary action.

On-Call Scheduling

The weekly on-call schedule is determined at the beginning of the year. This allows on-call employees to schedule leave and other appointments as needed without conflict. Every effort will be made to insure the same employee is not on-call the same holiday on consecutive years.

On-call employees can exchange scheduled dates with other employees within their section as long as the Director of Public Works, the Assistant Director of Public Works and All-Ways Communication are notified of such changes in advance. Currently, Water & Sewer staff will be in rotation every 3 weeks, while Streets and Utilities staff (to include the Facilities Superintendent) will be in rotation every 4 weeks.

Compensation for On-Call Employees

On-Call employees will be permitted to drive a Town vehicle to their residence to use for after hours emergency call response. If the Employee chooses not to drive the Town vehicle they will be compensated at the rate of (the current Federal Mileage rate x the round trip distance (in miles) from their residence to the Town

garage and back). Employees will be compensated for responding to the emergency calls as either 1.) Earned comp time at the rate of (1.5 x the total response time to the emergency call), or 2.) Paid at the monetary rate of (1.5 x their normal hourly wage x the total response time to the emergency call). This choice is determined by the employee and reflected on their time sheet for that pay week. In addition, for every week an employee is on-call, that employee is given a day off with pay that must be taken either the following Friday or Monday of the next pay week.
