## BURGESS AND COMMISSIONERS OF MIDDLETOWN MARYLAND

#### TOWN MEETING MINUTES

**April 8, 2024** 

The meeting of the Burgess and Commissioners of Middletown was called to order on April 8, 2024 by Burgess Miller at 7:00 p.m. Present were Commissioners Jennifer Falcinelli, Rick Dietrick, Kevin Stottlemyer, Jean LaPadula and Chris Goodman.

#### **PUBLIC COMMENT:**

Becky Myers, 2 Woodmere Circle, expressed concern that town code section 8.08.020.B subsections 1a and 1b. regarding enumerated public nuisances contradicted each other. She provided copies of the section to board members to review. She believes that subsection 1b is covered by subsection 1a. She did not understand the intention of the two clauses. Burgess Miller stated the subsections were generated in response to the clubhouse at Richland Golf and music generated on their patio and within the clubhouse building itself. The town follows the county code regarding noise level. The town has a decibel meter to measure noise level if there is a complaint. Commissioner Falcinelli stated that the section of the code specifically references music and noise level.

#### **CONSENT AGENDA:**

**Town Meeting Minutes** 

o March 25, 2024 – Town Meeting

No Parking Hashing at Main Street, Ingalls Drive & Glenbrook Drive – The continued illegal parking in front of the driveway at 117 West Main Street, in the crosswalk at the intersection of Dean Lane and Ingalls Drive, and at the golf cart crossing in the 600 block of Glenbrook Drive prompted the discussion of placing striped lines to designate no parking at each of those locations. These will improve line of sight safety and allow the resident at 117 West Main Street entrance and exit from his property.

Ordinance 24-03-01 – Sidewalk Maintenance & Repair - At the April workshop the Zoning Administrator (ZA) reviewed the proposed changes to the ordinance. The town will be responsible for repairing and maintaining public sidewalks. The three existing HOAs each have a signed MOU in place which identify any excluded sidewalks from the town's responsibility for maintenance and repair.

**Motion:** Commissioner Falcinelli motioned to approve the consent agenda as presented. Seconded by Commissioner Goodman. Motion passed (5-0-1). Commissioner LaPadula abstained.

#### **UNFINISHED BUSINESS:**

**Introduction of Ordinance No. 24-03-02: Connection Fees & Change of Use** – At the April workshop the ZA reviewed the proposed changes to the town code. In summary, any new business change of tenant and/or change of use to a commercial property will result in an assessment of water usage and could result in additional fees imposed. The Town Attorney has reviewed the proposed changes. The public hearing is scheduled for the May 2, 2024, town workshop.

**Introduction of Resolution No. 24-03: Proposed Annexation of Remsberg Park** –This resolution initiates the annexation process. The intention, if the annexation if approved is to zone the 94.49 acres as

open space (OS) and keep it as a park. The town has received the updated plat from Frederick Seibert and Associates. Both the draft resolution and draft annexation plan have been updated. The planning commission is reviewing the Remsberg Park annexation this month and will provide recommendations to the town board. The public hearing is tentatively scheduled for June 6, 2024.

**Proclamation: National Child Abuse Prevention Month, April 2024** – Burgess Miller read the signed proclamation which supports the prevention of child abuse within our community.
