

Sustainability Committee Meeting Minutes from March 15, 2017

ATTENDEES: Cindy Unangst, Mark Carney, Ann Payne, Joyce Tuten, Sean O'Keefe, Rick Dietrick, Andrea Kaleta, Becky Reich, Keith Staley, and guest Master Gardener Suzy Bailey

1. Meeting minutes – minutes from February were approved.
2. EarthPlanters plantings – there was discussion about the details of planting the planters that will go along Main Street. The planting date is Saturday, June 3rd. The proposed budget was \$25 per planter for the plants. Master Gardener Suzy Bailey will discuss with other MG's and get back to us. There was a long discussion that ensued about bike racks in town. Rick said he would talk to Commissioner Goodman about putting in a POS request for funding for bike racks in the local parks.
3. Vests/windbreakers – Cindy showed the members the sample vests she had received which have been deemed too structured. The committee decided that it would be best to go with green safety vests so that we will really stand out and give us visibility when also wearing them for the plantings along Main Street.
4. Green Expo – Saturday, April 29th 10am-2pm
 - a. Flyer changes – The committee discussed times for events
 - b. Vendors/organizations/booths – Cindy went thru all the questions she had from exhibitors and potential exhibitors as well as discussing some logistics.
5. Bee-keeping ordinance – did not have time to get to this item.
6. New member suggestions – did not have time to get to this item.
7. Dr. Tangren visit recap – did not have time to get to this item.
8. Next meeting date – April 19, 2017 at Memorial Park

Meeting adjourned at 6:30pm.
