

The Town of Middletown's Stormwater Design Manual from 1999 has been replaced with the Maryland Department of the Environment's "Maryland Stormwater Design Manual, Volumes I and II".

See link below:

https://mde.maryland.gov/programs/water/stormwatermanagementprogram/pages/stormwater_design.aspx

All Stormwater Management Facilities intended to be installed within the Town limits should be in accordance with the above-mentioned documents.

All proposed Stormwater Management designs are to be submitted to Frederick County Division of Public Works for review, comment, and approval.

Frederick County handles all of the Town's Stormwater Management reviews and approvals to ensure that all of the requirements of the "Maryland Stormwater Design Manual, Volumes I and II" are met.

Please see the County's approved resolution addressing this issue. It follows this document.

Re: Town Stormwater Management Resolutions

Dear Stew:

On November 21, 2002, the Frederick County Board of County Commissioners executed a resolution to continue to provide stormwater management support to the following municipalities.

Brunswick
Emmitsburg
Middletown
Myersville
New Market
Rosemont
Thurmont
Walkersville

The Division of Public Works has been unable to obtain an executed resolution from Woodsboro or Burkittsville and therefore could not include them in the County's resolution.

DPW is providing MDE with a copy of each executed town resolution and the County resolution.

We will continue to pursue a resolution from Burkittsville and Woodsboro. Since there is currently no development activity in either of these jurisdictions, the lack of a resolution has not yet had an impact.

Mr. Stewart Comstock, P.E.
January 14, 2003

We will forward these documents once executed as applicable.

If you have any questions, please call me at (301) 696-2961 or e-mail bsmith@fredco-md.net.

Sincerely,

Elisabeth S. Smith, P. E.

THE EFFECTIVE DATE OF THIS RESOLUTION IS 11/21/2002

RESOLUTION NO. 02-29

RESOLUTION OF
THE BOARD OF COUNTY COMMISSIONERS
OF FREDERICK COUNTY, MARYLAND

Re: Providing Stormwater Management Services to Municipalities

RECITALS

On June 5, 2001, Frederick County adopted a Stormwater Management Ordinance (Ordinance No. 01-10-284) governing stormwater management in the County pursuant to the Environment Article, Title 4, Subtitle 2, Annotated Code of Maryland (formerly, the Natural Resources Article, title 8, Subtitle 11A); and

The City of Brunswick, Town of Emmitsburg, Town of Middletown, Town of Myersville, Town of Myersville, Town of New Market, Village of Rosemont, Town of Thurmont, and the Town of Walkersville have reviewed the County's Ordinance and have determined it is satisfactory to protect the lives and property of their residents; and

The municipalities listed above have adopted the County's Ordinance and any regulations adopted pursuant thereto; and

Frederick County is willing to administer and enforce the stormwater ordinance within the corporate limits of the municipalities listed above.

RESOLUTION

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF FREDERICK COUNTY, MARYLAND, that the County shall

administer and enforce the provisions of its stormwater ordinance, Chapter 1-15.2 of the Frederick County Code and regulations promulgated thereunder, within the corporate limits of the City of Brunswick, Town of Emmitsburg, Town of Middletown, Town of New Market, Village of Rosemont, Town of Thulmont, and the Town of Walkersville under the terms and conditions as may be agreed to between the County and each municipality.

The undersigned hereby certifies that this Resolution was approved and adopted on the 21st day of November 2002.

ATTEST:

Douglas D. Brovning
Acting County Mngsr
